## GENERAL INFORMATION

### WHAT IS CHC?

Community Health Centers are community-based, patient-directed centers that provide the population with primary health care services.

### WHO CHC SERVES

Community Health Centers serve people of all ages that are citizens and residents of the Republic of Palau.

### WHAT CHC DOES

CHC is governed by a community board composed of representatives from each of Palau's 16 states. CHC provides comprehensive primary health care services as well as supportive services (education, outreach, etc) that promote access to health care.

Services are available to all at no cost, or with fees adjusted based on ability to pay. However, no one will be refused services due to their inability to pay.

### WHERE ARE CHCs LOCATED?

Community Health Centers are strategically located around Palau to provide primary healthcare services.

Services are available in centers located in Angaur, Koror, Peleliu, Airai, Melekeok, Ngarchelong, Ngaremlengui and Kayangel.

### WHERE DO I GET MORE INFO ON CHC?

If you want more information about the services offered by CHC and where they are located, you can contact the main CHC Program office located at the Central Community Health Center in Koror at telephone number 488-4804 during normal business hours.

## CHC VISION

To promote the health status of individuals, families, and communities of the Republic of Palau through the provisions of comprehensive primary and preventive healthcare services in a manner which is acceptable and accessible to all and empowers individual health responsibility.
